SOUTH PLACER FIRE DISTRICT BOARD OF DIRECTORS Regular Board Meeting Minutes December 14, 2022

REGULAR BUSINESS

The South Placer Fire District Board of Directors regular meeting was called to order on Wednesday, December 14, 2022, at 7:00 p.m. by Vice President, Dan Bajtos.

Present:

Dan Bajtos, Vice President Tracy Randall, Director Mike Johnson, Director Terri Ryland, Director Ken Musso, Director Chris Gibson, Director <u>Absent:</u> Gary Grenfell, President

<u>Staff in Attendance</u>: Fire Chief, Mark Duerr Deputy Chief, Matt Feeley Division Chief, Jeff Ingolia Division Chief, James Magnuson Battalion Chief, Matt VanVoltinburg Captain, Tracey Kincheloe Captain, Sean Fuller Engineer Paramedic, Pat Patterson Engineer Paramedic, Kenneth Kaiser Firefighter Paramedic, Kevin Cooney

Public Comment: None

<u>Closed Session Report</u>: Vice President Bajtos reported that there had been a closed session meeting prior to the regular meeting with nothing to report out at this time.

<u>Consent Agenda:</u> Director Ryland made a motion to approve the items for the consent agenda. The motion was seconded by Director Gibson.

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

SPECIAL PRESENTATION

<u>Board of Directors Oath of office</u>: The Chief recommends a special presentation to administer the oath of office for newly appointed and elected Directors. Placer County Supervisor Suzanne Jones stepped forward to read the oath to Directors Gibson, Ryland, and Randall.

OLD BUSINESS

<u>Employee Retention</u>: Staff recommends discussion on current issues facing the District involving employee retention. Chief Duerr reported that the District has no vacancies at any rank at this time but will continue to monitor the situation.

District Wide Photovoltaic Solar Electric Project: Staff recommends discussion and direction on the Request for Qualifications (RFQ) for District-wide solar. The District operates out of four stations and a maintenance shop that operate on electricity. A third party was contracted to submit the RFP and administer the process. The RFQ has had two responses. Of the two responses, one met all the qualifications and was asked to provide a proposal, DC Solar. Dave Clouse with DC Solar gave a short presentation for their proposal for the work along with the third-party consultants, John Kauffman of MEA. He continued that the project has a lifetime warranty with maintenance and cleaning once per year included. A total of 129.5 kilowatts of electricity will be produced for a total cost of \$358,000. Year 7 will be the break-even point for the entire project, although it may be sooner with the current 6% energy cost escalation rate. Current annual utility costs are \$57,688, while postsolar costs in the 1st year will be \$5,763 saving \$51,924. It was noted that there is new proposed legislation, NEM 3.0 that will have negative effects for solar projects by decreasing solar sell back values. Should the District engage now with DC Solar the project would be grandfathered in once the work, plans and first 5% payment are initiated. Currently, many other solar projects are also trying to meet this deadline. The District does not qualify for any rebates or discounts of any kind. The average return on investment is 7 years but that could be reduced to 6.5 with additional panels at Station 20. Chief Duerr noted that the Board could revisit the item in January but may not be able to install the system and may encounter supply chain issues with the panels. Director Gibson made a motion to approve Chief Duerr to move forward and authorize the solar electric project. Director Ryland made a second to the motion.

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

<u>Resolution for Dedicated Service to South Placer Fire District</u>: Staff recommends adopting the resolution recognizing Sean Mullin for his outstanding service to the Fire District and the community. Director Mullin served the District for ten years and was instrumental in the consolidation of Loomis and South Placer and representing the District at many events. He represented the public well through keen financial acumen and a willingness to ensure public safety was paramount. Director Ryland made a motion to approve and adopt Resolution for Dedicated Service to Director Sean Mullin, Resolution No. 13-2022/23. Director Gibson made a second to the motion

Roll Call:

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

NEW BUSINESS

<u>Fiscal Year 2021/22 Audit Acceptance:</u> Staff recommends discussion and acceptance of the South Placer Fire District Fiscal Year 2021/22 third-party audit. Chief Duerr began that overall, for the fiscal year the District deficit was -\$93,000. Last fiscal year the District lost -\$656,000. Fuel costs exceeded budget estimates by \$40,000. Director Ryland made a motion to approve and adopt the Fiscal Year 2021/22 audit reports. Director Gibson made a second to the motion

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

South Placer Fire District Special Tax Reports 2021/22: Staff recommends review and approval of the Fiscal Year 2021/22 Fire Suppression and Protection Special Tax Reports for the South Placer Fire District-Former Loomis Fire District (Division 1) and the South Placer Fire District (Division 2). The District's special tax administrator, SCI Consulting Group, prepared the reports for the two Divisions of the District. For Division 1, the special tax revenues were \$497,311. For Division 2, the special tax

revenues were \$707,862. Director Ryland made a motion to approve the South Placer Fire District Special Tax Reports 2021/22 for Divisions 1 and 2. Director Musso made a second to the motion.

Facilities Committee	Mike Johnson & Dan Bajtos
FAIRA	Ken Musso (primary) & Mike Johnson (alternate)

<u>2023 Board Meeting Schedule</u>: Staff recommends review of the proposed 2023 Board meeting Schedule. Chief Duerr noted that an earlier meeting time has been suggested by staff and the public. Director Gibson noted the suggestion and agreed to return with a time frame that would work with his schedule. Director Randall inquired whether live streaming future meetings was possible. Chief Duerr agreed to research the issue and return with cost estimates to the Board. Director Ryland made a motion to approve the 2023 Board meeting Schedule. Director Gibson made a second to the motion.

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

<u>2022/23 Long Term Facilities Maintenance, Apparatus Replacement, and Major Equipment</u> <u>Replacement Plan Updates</u>: Staff recommends reviewing and approving the 2022/23 revised plans. Chief Duerr gave a presentation on the highlights of the revised plans. All these plans are included in the Fire Fee Annual Reports. Upgrades include funds for facilities such as solar at the stations and apparatus purchases such as the new type 1 engine payments.

Ayes: Bajtos, Johnson, Ryland, Musso, Gibson, Randall Noes: None Abstain: None Absent: Grenfell Carried

INFORMATION AND DISCUSSION

<u>District Operational Update:</u> Staff recommends a discussion about District operations after recent changes. Chief Duerr began that the call volume is up from last month at 361. Year over year up 70 calls for the month of November. He noted that call volume is up ahead from two years ago, over

4000 calls for the District for the first time. Medic 16 is the busiest unit with Engine 17 and Engine 16 thereafter. Average response times within 6-7 minutes, which are good. Travel times are between 4-5 minutes.

Correspondence: One PARS financial statement for October.

Chief's Report:

- Firefighters Appreciation Dinner was well attended. Great ideas for next year.
- Looking at summer picnic ideas
- Customer Service is excellent at Santa By The Lake crews provided service to an incident.
- Hand-Tevy almost ready to implement. New training still needed with two more people
- 8 new monitors on order-here in March
- Water tender ordered 322 days out
- Fire Prevention department Total Permits down from last year, new starts down from last year. Fees down, square feet down, building is down
- Overtime generated by sick leave and vacations
- Volunteer overtime down, only 96 mandatory hours. Overall overtime is down.

<u>Functions</u>: Santa by the Lake Thursday, Friday and then Saturday in Loomis. Eric Sanchez Toy Drive at Paul Martins 1-4 December 17th

Board/Staff Comments: None

<u>Future Agenda Items:</u> Cost estimate for live broadcast meetings, Director Gibson to reply regarding future meeting start times

There being no further business to come before the Board, the meeting adjourned at 8:14 p.m. The next regular meeting will be held on Wednesday, January 11th, 2022.

Respectfully submitted,

BOARD OF DIRECTORS
CHIEF MARK DUERR
BOARD MEETING AGENDA STAFF RECOMMENDATIONS
WEDNESDAY, JANUARY 11 TH , 2023
BOARD SECRETARY KATHY MEDEIROS

Agenda Item: Employee Retention

Action Requested: The Chief recommends discussing current issues facing the District involving employee retention.

Background: The South Placer Fire District has experienced vacancies at every rank for many reasons, including competition with other agencies, retirements, and competitive wages. The District continues to recruit, test, and hire personnel on an as-needed basis. With the direction approved by the Board at the August 17 Special Meeting, the District has redeployed staff to maximize effective responses within the District.

- **Apprentice** No vacant positions.
- **Firefighter** No vacant positions.
- **Engineer** No vacant positions.
- **Captain** No vacant position.
- **Battalion Chief** No vacant positions.

Impact: Increased awareness of retention issues at all ranks. **Attachments:** None

Agenda Item: District-wide Photovoltaic Solar Electric Project :

Action Requested: Staff recommends an update on the District-wide solar project and a discussion on securing NEM 2 status on possible future projects to include approval to enter an additional contract with DC Solar.

Background – The District has begun the process of installing photovoltaic solar panels on its four (4) operating stations. The initial step is to enter into a contract with the contractor, DC Solar, who was selected as a result of a "request for Proposal" process. DC Solar provided contracts for installation, and the District has reviewed them and submitted an addendum to protect them. By the time of this meeting, it is likely the District will be in contract and progressing through the construction process.

Addtioanllay, it has come to the District's attention there is the possibility for securing NEM 2 approval for the future addition of solar for Stations 15 and 19. To obtain approval under NEM 2 for a future project, the District would need an approved authorization form, a completed interconnection agreement, and to create an engineered electrical line diagram that PG&E approves prior to the deadline on 4/13/23. With submittal and approval by PG&E prior to the deadline of April 13,2023, the District would secure NEM 2 for these two future projects for up to three (3) years into the future. The quote for the work to be completed by DC Solar is \$7,902.

Impact: Upfront costs to secure energy efficiency into the future.

Attachments: Future project contract.

Agenda Item: 2022 Annual Fire Inspection Resolution:

Action Requested: Staff recommends acceptance of the Resolution documenting the number of reportable annual occupancy inspections completed in 2022 as per Senate Bill 1205.

Background: On September 27, 2018, Senate Bill 1205 became effective and added a new section to the California Health and Safety Code requiring every fire department and fire district in the state to report the number of annual occupancy inspections that were conducted in the private and public schools, hotels, motels, lodging houses, and apartment complexes.

Led by the Northern California Fire Prevention Officers Association, the attached resolution was created to standardize the reporting of these inspections and communicate how safe every jurisdiction's schools and multi-family dwelling units are with regard to fire safety.

Impact: Documentation of the required reportable annual inspections by resolution.

Senate Bill No. 1205 CHAPTER 854

An act to add Section 13146.4 to the Health and Safety Code, relating to fire protection.

[Approved by Governor September 27, 2018. Filed with Secretary of State September 27, 2018.]

LEGISLATIVE COUNSEL'S DIGEST

SB 1205, Hill. Fire protection services: inspections: compliance reporting.

Existing law requires the chief of any city or county fire department or district providing fire protection services and his or her authorized representatives to inspect every building used as a public or private school within his or her jurisdiction, for the purpose of enforcing specified building standards, not less than once each year, as provided. Existing law requires every city or county fire department or district providing fire protection services that is required to enforce specified building standards to annually inspect certain structures, including hotels, motels, lodging houses, and apartment houses, for compliance with building standards, as provided.

This bill would require every city or county fire department, city and county fire department, or district required to perform the above-described inspections to report annually to its administering authority, as defined, on the department's or district's compliance with the above-described inspection requirements, as provided. The bill would require the administering authority to acknowledge receipt of the report in a resolution or a similar formal document. To the extent this bill would expand the responsibility of a local agency, the bill would create a state-mandated local program.

The California Constitution requires the state to reimburse local agencies and school districts for certain costs mandated by the state. Statutory provisions establish procedures for making that reimbursement.

This bill would provide that, if the Commission on State Mandates determines that the bill contains costs mandated by the state, reimbursement for those costs shall be made pursuant to the statutory provisions noted above.

BILL TEXT THE PEOPLE OF THE STATE OF CALIFORNIA DO ENACT AS FOLLOWS:

SECTION 1.

Section 13146.4 is added to the Health and Safety Code, to read:

13146.4.

(a) Every city or county fire department, city and county fire department, or district required to perform an annual inspection pursuant to Sections 13146.2 and 13146.3 shall report annually to its administering authority on its compliance with Sections 13146.2 and 13146.3.

(b) The report made pursuant to subdivision (a) shall occur when the administering authority discusses its annual budget, or at another time determined by the administering authority.

(c) The administering authority shall acknowledge receipt of the report made pursuant to subdivision (a) in a resolution or a similar formal document.

(d) For purposes of this section, "administering authority" means a city council, county board of supervisors, or district board, as the case may be.

SEC. 2.

If the Commission on State Mandates determines that this act contains costs mandated by the state, reimbursement to local agencies and school districts for those costs shall be made pursuant to Part 7 (commencing with

SOUTH PLACER FIRE DISTRICT INTEROFFICE MEMORANDUM

TO:	BOARD OF DIRECTORS
FROM:	FIRE CHIEF MARK DUERR
SUBJECT:	BOARD MEETING AGENDA STAFF RECOMMENDATIONS
DATE:	WEDNESDAY, JANUARY 11 TH , 2023
CC:	BOARD SECRETARY KATHY MEDEIROS

Agenda Item: Authorization to Enter into an Agreement with Specialized Legal Counsel:

Action Requested: Staff recommends discussion and authorization to enter into a contract with legal counsel specializing in Other Post Employment Benefits (OPEB)

Background: The District is working to stabilize long-term financial obligations through a comprehensive review of all expenditures. One area of concern is the District's unfunded liability in long-term health care for retirees through OPEB. OPEB is a highly specialized and regulated topic, and since the District does not employ an expert in this field, Staff recommends entering into a contract for these services.

Impact: Stabilizing District budget and long-term obligations. Financially, the District will provide a retainer of \$2,500 and then pay hourly for services with an expected cost of approximately \$5,000. Restructuring OPEB should result in long-term savings for the District by establishing a funded program for the long-term stability of the benefit.

Re: <u>Engagement / Fee Agreement</u>

Dear Chief Duerr:

We are pleased to represent South Placer Fire Protection District (you) regarding post-employment benefits and related taxation matters and such other employee benefit matters as you may request. The purpose of this letter is to set forth, in writing, the basis on which we provide and bill for legal services. If you have any questions about our fee policies, the details of a particular bill, or the progress of the matter, please do not hesitate to let us know.

This Fee Agreement will not take effect, and we will have no obligation to provide legal services, until you return a signed copy of this Fee Agreement with the initial retainer deposit discussed below. If this Fee Agreement does not become effective, for any reason, you will still be obligated to pay us the reasonable value of any services that we have performed for you (see Hourly Fees below).

Scope Of Legal Services

You are engaging Employee Benefits Law Group Pc (us/we) to represent you with regard to the matter described above, and to render other legal services as you may specifically request, either verbally or in writing. Our representation is limited to those matters for which you have specifically requested legal advice. Unless we make a different agreement in writing, this Fee Agreement will govern all future services that we may perform for you.

Our Duties

We will provide those legal services reasonably required to represent you consistent with the scope of our engagement. Although we expect that the undersigned attorney will have the primary responsibility for your representation, other attorneys and pension consultants may participate in rendering services as

we consider appropriate. We will keep you informed of progress and will respond promptly to your inquiries.

Your Duties

You agree to keep us informed regarding all matters that are the subject of this Fee Agreement and to share with us all of the information in your possession which will help us perform our work for you. You agree to cooperate with us and to participate in all proceedings related to your representation by us. You agree to pay our fees and other charges promptly as provided below.

Retainer Deposit

We require a retainer deposit from you in the amount of \$2,500. From time to time, as circumstances warrant in our judgment, we may ask you to replenish or increase your retainer deposit. You agree to make such additional deposits as and when requested.

We will deposit all such retainer deposits in our trust account. No interest will be earned on such amounts. You authorize us to use such amounts to reimburse our firm for out-of-pocket expenses expended on your behalf, and to pay our fees and other charges that you incur when and as billed by us. At the conclusion of our representation, any sums remaining in our trust account credited to your account, after the payment of all amounts due to us from you, will be promptly returned to you.

Hourly Fees

Fees are based primarily on (i) the time spent by attorneys and pension consultants, and other personnel on your behalf, including travel time, and (ii) the hourly rate in effect at the time when the work is performed. Time is recorded in increments of tenths of an hour with a minimum of two-tenths (0.2) of an hour for the first telephone call or other service rendered during any day.

The current hourly rates of our attorneys range from \$300 to \$795 per hour. We will determine those tasks that would ordinarily be performed by one of our attorneys and which can be performed by non-attorney members of our staff who have the skills and competence required for those tasks. We will bill you for the staff member's time at the lower hourly rate. The current hourly rates for our certified pension consultant staff range from \$395 to \$425 per hour.

These rates are subject to change from time to time. Our rates are clearly stated on each billing statement, and we will gladly provide you with our current hourly rates of our entire staff upon your request. We will notify you in advance of fee changes if it would exceed ten percent (10%).

Costs And Other Charges

We may incur various costs and expenses in performing legal services for you. You agree to pay costs and expenses in addition to the hourly fees, either by reimbursing us or by paying the provider of the service directly. Costs and expenses may include filing fees, court reporter fees, travel expenses, expert witness fees, consultant fees, investigator fees, other lawyers' fees, photocopying charges, priority mail and delivery charges, messenger charges, long distance telephone charges, and charges for on-line computer research. We may ask you to advance any of such disbursements and you agree to do so promptly.

Billings, Payments And Collection

We will send you a monthly statement for fees and costs incurred. Each statement is payable upon receipt. If an amount has been outstanding for more than thirty (30) days from the statement date, you agree to pay a carrying charge equal to one and twenty-five hundredths percent (1.25%) of such amount, per month, that begins to accrue on the thirty-first (31st) day.

We suspend our work on client matters where there are accounts receivable from a client that are outstanding beyond sixty (60) days. If your account is past due beyond sixty (60) days, we will contact you to discuss our level of service to confirm that your expectations are being met, and if necessary, how we can better work together. We will then move forward together to ensure that work is satisfactorily resumed and your account is brought current.

If you wish, you may request a current bill from us on a schedule different from our regular billing schedule. Under California law, you may make such a request once every thirty (30) days and we must comply within ten (10) days.

In the event that your account becomes severely past due and we pursue collection efforts ourselves, refer your account to a collection agent or to another law firm for collection, or assign your account to another, you will be charged reasonable attorneys' fees and costs and litigation-related expenses of collection, including, but not limited to, reasonable attorneys' fees and costs and litigation proceeding pursuant to the State Bar Act. You agree that any suit or proceeding necessary for collection of your account may be brought in Sacramento, California, regardless of your location, and you agree to accept service of a summons and complaint via notice and acknowledgment.

Estimates

Unless we agree to a specific fixed fee or not-to-exceed quote for a specific project, we may not be able to provide you a guaranty or make any representations as to the exact amount which you will incur for fees and costs in matters that we handle for you. The amount of time necessary to handle any given matter depends on the complexity of the issues involved and, to a large degree, on the posture and actions of other parties. Because of such inherent uncertainties, you understand that although we may give you good faith estimates from time to time, they are no more than that – merely estimates – and are not binding unless we have specifically agreed in writing to a maximum fee.

No Warranty Of Favorable Outcome

We make no warranty or representation concerning the successful representation of your interests or the outcome of the representation. Except as otherwise stated in writing, our comments about the outcome of your matter are expressions of belief only and do not constitute legal opinions.

Errors And Omissions Insurance

California law requires that we inform you that we maintain errors and omissions insurance coverage applicable to the services to be rendered.

Termination

You have the right to terminate our representation at any time by written notice to us. We have the same right, subject to an obligation to give you reasonable notice in order to allow you the opportunity to arrange alternative representation.

File Retention And Destruction

We will maintain a file in either written form, electronic form, or both, at our discretion, that includes copies of correspondence, documents and other items related to your representation by us. However, we will not retain any of your original documents that you provide to us. If you provide any of your original documents to us, we will return them to you promptly after we have made copies of those original documents to the extent that we have determined that we need them in order to represent you.

We will retain our file with respect to your representation for a period of five (5) years after the conclusion of our representation (retention period). After the expiration of the retention period, we will destroy our file (both written and

electronic) unless you notify us, in writing, prior to the end of the retention period, that you want to take possession of our file. If you notify us by then, we will provide our file to you in accordance with and to the extent required by the California State Bar Rules of Professional Conduct. We will not contact you again or remind you about the destruction of our file prior to the expiration of the retention period or prior to the actual destruction of our file. We destroy all files in a way that protects the attorney-client privilege and keeps client information confidential.

No Fiduciary Status

You understand and agree that we will not be acting in the capacity of a fiduciary, under ERISA or other applicable employee benefits statutes, with respect to any employee benefit plan related to our representation. Under no circumstances will this representation constitute or involve the exercise by us of any discretion, authority or control over the administration of any such plan, or the investment or disposition of any plan assets. All such discretion, authority and control rests solely with the plan fiduciaries.

Joint And Several Obligations

If more than one person or entity is signing this Fee Agreement as our client, each person or entity agrees to be separately responsible for the full amount of the fees and expenses due to us under the terms of this Fee Agreement. Each person or entity, as a signatory to this Fee Agreement, agrees to be jointly and severally liable for all of his, her, or its obligations under this Fee Agreement.

Enclosure(s)

This letter may be accompanied by one or more enclosures that explain certain aspects of your engagement of our firm. Please familiarize yourself with the enclosure(s). By signing this Fee Agreement, you are indicating that you have read, understood and agree to the contents of the enclosure(s).

Entire Agreement

This Fee Agreement is the entire agreement between you and our firm, and supersedes all prior or contemporaneous negotiations, correspondence, understandings, and agreements between us, regarding the subject matter of this Fee Agreement.

Signatures

If this Fee Agreement is acceptable to you, please print two copies of this Fee Agreement, and return one signed copy to us via e-mail or mail to our Sacramento

office at 11231 Gold Express Drive, Suite 108, Gold River, CA 95670 with a check in the amount of \$2,500 made payable to the Employee Benefits Law Group PC Client Trust Account.

Very truly yours,

CONFLICTS OF INTEREST

Our clients typically engage the services of our law firm for purposes of assisting them with a matter involving an employee benefit plan or plans. Frequently, these plans have been established or maintained by our clients with the assistance of a third party consultant or third party administrator. Our law firm has also represented a number of such third parties in the past and we continue to represent some of them even now.

Such representations usually do not involve our clients' plans. However, if they do, then our representation of the plan sponsor raises the potential for a conflict of interest issue under Rule 1.7 of the California State Bar Rules of Professional Conduct and we obtain specific waivers from each client (i.e., the plan sponsor and the third party). These waivers provide (i) that each party recognizes that the other is (or was) a client of the law firm, (ii) that our law firm cannot represent both parties with respect to the matter giving rise to the potential conflict without the informed written consent of each party in accordance with the Rules of Professional Conduct, (iii) what the nature of the conflict or potential conflict is, (iv) that any then seemingly amicable state of affairs between the two parties does not guarantee against or preclude the possibility that disagreements may arise in the future between them with respect to the subject matter of our representation of the sponsoring employer, and (v) that in the event that the subject matter of the representation becomes adversarial in nature between them, or in the event that actual conflicts arise regarding the issues which cannot be resolved on an amicable basis, then our law firm would cease its representation of both parties with respect to the issues. In that event, each party would have to engage other counsel in order to represent its interests with respect to the issues.

Even where there is no actual conflict of interest under the California State Bar Rules of Professional Conduct and no potential for such a conflict of interest, our law firm has also made the business decision regarding pursuing claims against third party consultants and administrators. We have determined that our practice should focus on assisting plan sponsors in establishing and maintaining employee benefit plans, to include representing them before governmental agencies. We have also decided that our practice will generally not involve the pursuit of claims against third party consultants and administrators. Such matters can be adequately handled by competent litigation counsel to whom we would be happy to provide copies of any documents in our possession that belong to the sponsoring employer. However, we would generally not provide technical assistance to the litigation counsel or expert witness services to them unless (i) our engagement by the sponsoring employer contemplated such legal services, (ii) we specifically determined that there would be no conflict of interest in taking on such an engagement, and (iii) we made the business decision that the law firm would be willing to pursue the third party involved.

Before signing the accompanying engagement letter, you should make certain that you understand our position as set forth in this enclosure to the engagement letter. By signing the engagement letter, you are indicating that you have read, understood and agree to the contents of this enclosure and that you still wish to engage the services of our law firm.

PAYMENT OF LEGAL FEES OUT OF PLAN ASSETS

Clients often ask us whether our fees can be paid out of the assets of the employee benefit plan involved in the representation. The answer depends upon (i) whether the subject matter of our representation is a proper expense of the plan under ERISA standards, and (ii) whether the plan documents permit the payment of such expenses out of plan assets. Generally, in order to avoid the ERISA issues, we discourage the payment of our fees from plan assets. However, if a client wishes to pay some or all of our fees out of plan assets, then we encourage the client to discuss this issue with us and for us to agree in advance before accepting fees paid out of plan assets.

ERISA permits the payment of expenses out of plan assets if, and only if, the expenses are (i) reasonable in amount, (ii) necessary (i.e., appropriate or helpful to the plan in carrying out the purposes for which the plan is maintained), and (iii) authorized in the plan documents. As is often the case in this area, little guidance exists as to what expenses are payable by the plan. However, we have set forth some general guidelines below.

It is clear that a plan may not pay the fees that should be borne by the employer as the sponsor of the plan or the settlor of the trust, such as the fees associated with the establishment or design of the plan, or the fees associated with the decision to terminate the plan. However, once a decision has been made to terminate the plan, some or all of the fees associated with the termination process itself may be paid out of plan assets.

It seems reasonable that fees associated with the custody and management of assets, and record keeping, reporting and disclosure may be paid by the plan. It also seems reasonable that the fees associated with participant loans and participant-directed individual account transactions may not only be paid by the plan, but may be charged to the account of the participant involved if authorized by the plan documents. Fees associated with qualified domestic relations orders (divorce) and the involvement of a plan in a participant's bankruptcy proceeding may also be paid by the plan.

The fees associated with benefit claims, Internal Revenue Service audits and Department of Labor investigations may or may not be appropriate for payment out of plan assets depending upon the circumstances involved, particularly the sponsoring employer's or trustees' involvement in the situation and the issues raised.

We want to reiterate that these are general guidelines only. Specific situations should be discussed with us and the plan documents must be reviewed before any payments are made out of plan assets. The final decision regarding the payment of legal fees out of plan assets rests with the plan's fiduciaries. If the fiduciaries pay legal fees out of plan assets and the fees should not have been paid out of plan assets, a prohibited transaction has occurred and the fiduciary must make the plan whole and may be subject to a 15% excise tax or risk the income tax qualified status of the plan. Therefore, we discourage the payment of legal fees from plan assets.

ATTORNEY-CLIENT PRIVILEGE – WHO IS OUR CLIENT?

The purpose of this memorandum is to provide our clients with a general discussion of the unique aspects of the attorney-client privilege in matters involving employee benefit plans. The law generally recognizes that communications between an attorney and the attorney's client are privileged and cannot be discovered by third parties. In addition, the attorney's "work product" is entitled to protection.

Our firm's relationships with our clients are governed by these rules. However, in the field of employee benefits law, an issue can arise as to the identity of the client because some individuals or entities serve in different capacities with respect to an employee benefit plan at different times. For example, an employer may be acting either in its non-fiduciary capacity as the plan sponsor or in its fiduciary capacity as the administrator of the plan. Which hat is the employer wearing when we provide our advice? This distinction becomes important because employees are involved as the beneficiaries of the plan and, under the "fiduciary exception" to the attorney-client privilege, these employees could be treated as our clients.

Why? Briefly, because the courts have interpreted trust law, even under ERISA, to provide that where an attorney advises a fiduciary regarding the administration of the trust (or the plan), the real client served by the attorney is not the fiduciary – the clients are the beneficiaries of the trust (i.e., the plan participants and their beneficiaries). Therefore, if an attorney advises the employer about plan administration issues, the participants may be able to gain access to the advice given. (We say "may" because there are, as is typically the case, exceptions that might apply.) On the other hand, if the attorney advises the employer about the decision to terminate the plan (not a fiduciary function), the fiduciary exception should not apply and the participants should not be able to gain access to the advice given. However, there are cases which state that if an attorney represents the employer in both its fiduciary and nonfiduciary capacities, the privilege may be lost altogether.

We know that advising an employer regarding its benefit plans can often involve requests for legal advice to the employer in both its fiduciary and nonfiduciary capacities. It is possible to obtain separate counsel to help insulate nonfiduciary legal advice from fiduciary legal advice. However, obtaining separate counsel is often not practical or costeffective. Therefore, each client must weigh its need to preserve the attorney-client privilege (in the case of an adverse suit or claim) against its need for comprehensive and flexible legal advice regarding both its fiduciary and nonfiduciary issues.

It is also worth noting that a client can also lose the protection that this privilege offers if the client "waives" it. For example, disclosing privileged information to a third party (such as the client's CPA or third-party administrator) waives the attorney-client privilege.

These comments on the attorney-client privilege in connection with employee benefit plan matters are only very general guidelines. Specific situations should be discussed with us. We may need to take additional steps in order to clarify the identity of "our client" for your information and protection.

TO:	BOARD OF DIRECTORS
FROM:	FIRE CHIEF MARK DUERR
SUBJECT:	BOARD MEETING AGENDA STAFF RECOMMENDATIONS
DATE:	WEDNESDAY, JANUARY 11, 2023
CC:	BOARD SECRETARY KATHY MEDEIROS

Agenda Item: <u>Board Certification of the South Placer Fire Administrative Officers</u> <u>Association Decertification and Formal Recognition Election of Sacramento Area</u> <u>Firefighters Local 522 – Battalion Chiefs Unit</u>

Action Requested: Chief recommends that the Board formally certify the Formal Recognition Election results and recognize Sacramento Area Firefighters, Local 522 – Battalion Chiefs Unit as the exclusive bargaining representative for the bargaining unit consisting of Battalion Chiefs.

Background: The District received a petition for decertification of the South Placer Fire Administrative Officers Association and formal recognition of Sacramento Area Firefighters Local 522 – Battalion Chiefs Unit. The petitions were complete and verified, and the Chief announced a notice of election for December 28th, 2022. The Chief held the secret ballot election and attests that the majority of the Bargaining Unit Members voted for Sacramento Area Firefighters, Local 522 – Battalion Chiefs Unit as their Exclusive Bargaining Representative. In addition, the formal recognition rights of the South Placer Fire Administrative Officers Association were revoked, and the Chief, per the Employer-Employee Recognition Resolution of the South Placer Fire District, decertified South Placer Fire Administrative Officers Association.

Impact: Change in a bargaining unit exclusive representation

SOUTH PLACER FIRE PROTECTION DISTRICT Resolution No. 15-2022/2023

Formal Recognition of Sacramento Area Fire Fighters, Local 522 as Exclusive Bargaining Representative for the South Placer Fire Protection District Battalion Chiefs Bargaining Unit

WHEREAS, on November 4, 2022, Sacramento Area Fire Fighters Local 522 (hereafter "Local 522") filed a Petition for Decertification of Representation simultaneously with a Petition for Modification of an Established Bargaining Unit with the South Placer Fire Protection District in accordance with Sections 11 of the Resolution of the South Placer Fire Protection District Establishing Rules and Regulations for the Administration of Employer-Employee Relations Between the District and its Employees (hereafter "ERR"). In this Petition Local 522 sought to decertify the existing exclusive representative for the District's Battalion Chiefs and modify the existing Fire Firefighters bargaining unit currently represented by Local 522 to now include Battalion Chiefs with non-management level fire fighting staff.

WHEREAS, on November 17, 2022, following discussions between legal counsel for Local 522 and legal counsel for the District, Local 522 agreed to modify the Petition by Dismissing its request to modify the existing Fire Fighters unit and instead seek recognition as exclusive representative for a separate Battalion Chiefs bargaining unit.

WHEREAS, on November 28, 2022, Fire Chief Mark Duerr, issued appropriate Notice to all employees within the SPFAOA bargaining unit advising that the Petition was sufficient and represented at least thirty percent of unit members within SPFAOA, as required under the ERR. The Notice further advised all such unit members that, pursuant to Section 11, subsection E. of the ERR, a consolidated election for Decertification of L3809 and Recognition of L522 would be held in due course; and

WHEREAS, on November 28, 2022, formal notice of the Decertification and Recognition combined election to be held on December 28, 2022, was sent to all interested parties as required under the ERR; and

WHEREAS, no objection was received prior to the date of the election to the joint Petition for Decertification and Recognition, nor to the holding of the election in accordance with the notices described herein; and

WHEREAS, on election was completed on December 28, 2022, at which, based on the vote of a majority all unit members eligible to vote in the election, and consistent with all relevant provisions of the ERR, sufficient votes were lodged to decertify SPFAOA, and recognize Local 522 as the exclusive bargaining representative for the South Placer Fire Battalion Chiefs bargaining unit; and

WHEREAS, to the date of this Resolution, no complaint has been received challenging the procedures, conduct, or results of the election described herein; and

WHEREAS, the Board finds no lawful reason, as set forth in Section 9, subsection G. of the ERR, or otherwise, to refuse to certify the winner of the election as the recognized employee organization of the unit.

NOW THEREFORE, the results of the election described herein are hereby certified, and Sacramento Area Firefighters, Local 522 is hereby recognized as the exclusive bargaining unit for the South Placer Fire Battalion Chiefs bargaining unit. Accordingly, L522 shall represent all such bargaining unit members in their employment relations with South Placer Fire Protection District, to the full extent set forth by Section 3, subsection O. of the ERR ("Scope of Representation").

On a motion by Director ______, seconded by Director ______, the foregoing resolution was passed and adopted by the South Placer Fire Protection District at a duly noticed meeting thereof this 11th day of January 2023, by the following vote:

SUBJECT:	BOARD MEETING AGENDA STAFF RECOMMENDATIONS
DATE:	WEDNESDAY, JANUARY 11, 2023
CC:	BOARD SECRETARY KATHY MEDEIROS

Agenda Item: Request for Proposals (RFP) for a Standards of Cover Study

Action Requested: Staff recommends discussion and approval of an RFP for a Standards of Cover Study.

Background: A Standards of Cover is a document that identifies the hazards and risks in the community. It documents the Fire Department's current capabilities and limitations against internationally recognized consensus standards. The main points of the documents include total response times, Effective Response Force capabilities, response time goals related to population density, travel time capability mapping, historical demand mapping, and future recommendations. This valuable document shows our current capabilities and helps plan for future department service needs and capabilities. It will begin to answer questions like:

- Does the District have enough resources for the demand level?
- Are the resources optimally located in the District?
- How does the District compare to its peers utilizing internationally recognized standards?
- Is the District able to effectively communicate its value to the community?

The last time an SoC was completed was in 2008, and it was completed internally. Since then, many changes have occurred in the community, the fire service, and the District. The community has grown, and the demand, frequency, and types of calls have changed, as evidenced by the record number of calls (over 4,000) in 2022. Additionally, fire service performance measurement has evolved into a more datacentric model that directly compares workload versus outcomes. Finally, the District has changed as well. It began with an increase in staffing through a SAFER grant and has since evolved into a completely new deployment model. It is time for the District to reassess the delivery of service and the community's needs.

Staff recommends utilizing a third-party entity to perform an SoC as the District lacks the labor resources and technological expertise to perform this task internally.

Using a third party will also provide an unbiased assessment of the data without preconceived notions of staffing, staff locations, or service delivery. This will be an opportunity to truly assess the District's services delivery and identify ways to improve service to the community.

Impact: Operations – complete assessment of service delivery; Financial - \$20 to 50k

PLEASE READ: Ukraine/Russia-Related Sanctions Compliance. Consultant/Proposer is aware of the

requirements of California Executive Order N-6-22 ("Ukraine/Russia-Related Sanctions), which obligates consultants/proposers to comply with existing economic sanctions imposed by the U.S. government in response to Russia's actions in Ukraine, as well as any sanctions imposed under state law. The Services may be subject to compliance monitoring by the District. It shall be the consultants/proposers sole responsibility to comply with all applicable economic sanctions.

SECTION 1 – PURPOSE

The South Placer Fire District (District) is accepting proposals from qualified vendors to research, write, and produce a Standards of Cover (SOC) analysis consistent with the guidelines set forth by the Center for Public Safety Excellence and in accordance with the specifications, terms, and conditions shown in this Request for Proposal (RFP). The analysis should formulate recommendations for appropriate staffing and deployment of firefighting and emergency medical service resources consistent with state and national best practices. Prospective respondents are advised to read this information and carefully review the Reference Material (Attachment A) before submitting a proposal.

Proposers providing the best professional services proposal to address the RFP scope of work will be invited to interview. Thereafter, negotiations will proceed with the top-ranked Proposer.

SECTION 2 – SOUTH PLACER FIRE DISTRICT

The South Placer Fire District is located in the foothills of California, providing all risk The community is known as a bedroom community in the Sacramento region and is predominantly composed of single-family homes and a few areas of light commercial development. The Loomis Basin has a strong relationship with agriculture and is home to many family-run orchards and small ranches.

The District services approximately 55 square miles and a population of approximately 45,000 from four (4) fire stations staffing four advanced life support (ALS) fire engines and two ALS transporting ambulances. SPFD responded to over 4000 incidents in 2022, with more than 75% of those calls medical in nature.

The District provides exceptional service to our community and is dedicated to enhancing the quality of life in the community by protecting lives, property, and the environment through emergency medical services, fire suppression, and fire prevention.

SECTION 3 – SCOPE OF WORK

The Proposer shall conduct a Standards of Cover (SOC) analysis to formulate recommendations for appropriate staffing and deployment of firefighting and emergency medical service resources consistent with state and national best practices, including recognized National Fire Protection Association (NFPA) standards, any federal and state mandates relative to emergency services, and Districts soon to be established performance benchmarks. The study shall also be consistent with the Center for Public Safety Excellence (CPSE)'s recommendations. The Standards of Cover shall also include analysis and recommendations for the future improvement of services to the community. All methodology used in the Standards of Cover analysis of the District will follow the methodology described in the "Quality Improvement for the Fire and Emergency Services" based on the 10th edition of the Commission on Fire Accreditation International model.

The Department is seeking a Standards of Cover which effectively meets these four goals:

- 1. Simplicity clear and concise.
- 2. Understandability readable and easy to understand.
- 3. Usability adaptable and implementable.
- 4. Accountability provide findings and recommendations to measure implantation success.

The Proposer shall have knowledge of industry-accepted best practices and procedures, including but not limited to, National Fire Protection Association (NFPA) guidelines, Insurance Services Office (ISO), Committee on Fire Accreditation International (CFAI) guidelines, Center for Public Safety Excellence (CPSE) guidelines, CAL-OSHA, International Association of Fire Fighters (IAFF), International Association of Fire Chiefs (IAFC) and other best practices in the Fire Service.

The final Standards of Cover analysis report shall include:

- 1. A summary of the method of analysis.
- 2. A summary review of the strengths of the District and opportunities for improvement and change.

- 3. All response and service level data shall be reported for a minimum of the last three (3) years.
- 4. Response and Community Risk data shall be displayed in a GIS format to the extent possible.
- 5. An explanation of proposed changes and recommendations for their implementation.
- 6. Inclusion of supporting data and rationale for all recommendations.
- 7. Supporting statistics and other visual data to fully illustrate the current situation and Proposer recommendations.
- 8. An analysis of the efficiency of the current deployment model and analysis of a recommendation for future optimized service delivery.
- 9. An analysis of the department's ability to respond to larger or more significant emergencies.
- 10. The specific components are described below.

The Standards of Cover analysis report shall include the following components:

1. A general summary of the community served.

- a. History, formation, and general description of the South Placer Fire District.
- b. Service areas for the District's fire and emergency medical service response area (population and demographics).
- c. Current organizational design.
- d. Operating budget, funding, fees, taxation, and financial resources.
- e. Description of the current service delivery infrastructure.

2. Analysis and summary of the services provided.

- a. Review and evaluate calls for service demographics from a historical and current perspective.
- b. Review and evaluate operational staffing levels and distribution of resources.
- c. Review and evaluate administration and support staffing levels, including analyzing the District's hierarchy, workload distribution, deployment, and management practices weighed against contemporary organization principles and business processes.

- d. Review the District's performance goals, objectives, and measures.
- 3. Examine the effectiveness of the inter-jurisdictional response. The area served by the District is adjacent to partner agency providers. Today, those partnerships are established through automatic and mutual benefit agreements. The study shall evaluate the effectiveness and benefits of emergency services, including services provided by the department and by its partners.
- 4. Analysis and summary of the Community Risk. Conduct an analysis of community fire protection risks, growth projections, and land uses and interprets their impact on emergency service planning and delivery. Land use, zoning classifications, parcel data, ISO fire flow data, economic value, building footprint densities, occupancy data, and demographic information should be used, along with specific target hazard information, to analyze and classify community fire protection risk by geography and type.

Use local planning/zoning data combined with available Geographic Information System (GIS) data to evaluate the physical risks of the community including:

- a. Overall geospatial characteristics including political and growth boundaries, construction, and infrastructure limitations.
- b. Topography, including response barriers, elevation extremes, and open space/interface.
- c. Transportation network including roads, rail lines, and waterways.
- d. Evaluation of physical assets protected.

An interpretation of available census and community development data must be provided indicating:

- a. Population history
- b. Census-based population and demographic information
- c. Community planning-based population information
- d. Transient population and demographic information
- e. Population density
- f. Community land use regulations
- g. Occupancy types by land use designation
- h. Hazardous substances and processes

i. Non-structural risk categorization

Evaluate the District's current workload and relate that analysis to the previously described community risk.

Prepare a demand study that analyzes and geographically displays current service demands by incident type and temporal variation.

Prepare an analysis that will include a matrix showing the community's common and predictable risk types identifying staffing and resource needs. The matrix shall be developed with attention to:

- a. Risk-specific staffing levels to meet the critical tasking analysis for the identified risks.
- b. Apparatus assignments to accommodate the anticipated fire flows and other critical functions of the identified risks.
- c. Time standards that will provide for the effective initiation of critical tasks and functions.
- d. Summary of currently available resources in matrix format.
- 5. Review of historical system performance. Review and make observations regarding all areas involved in, or affecting, service levels and performance. Areas to be reviewed shall include, but not necessarily be limited to:
 - a. Distribution Study
 - i. Overview of the current facility and apparatus deployment strategy, analyzed through Geographical Information Systems (GIS) software, with identification of service gaps and, redundancies in initial unit arrival.
 - b. Concentration Study
 - i. Analysis of response time capability to achieve full effective response force.
 - ii. Analysis of company and staff distribution as related to effective response force assembly.
 - c. Reliability Study
 - i. Analysis of current workload, including unit hour utilization of individual companies.
 - ii. Review of actual or estimated failure rates of individual companies.

- iii. Analysis of call concurrency and impact on effective response force assembly (resource drawdown).
- d. Capacity Study
 - i. A study of the maximum emergency service capability of the department resources inclusive of auto aid and mutual aid resources.
- e. Live Traffic Performance Study
 - i. Analysis of actual and historical system reflex time performance, analyzed by individual components including but not limited to call processing time, turnout time, travel time, total response time, and effective response force.
- f. Historical Study
 - i. Review and analysis of the history of call locations, including but not limited to skilled nursing facilities, clinics, residences, and commercial properties.
- 6. Performance objectives and measures. An appropriate set of goals and objectives must be developed for the District specific to the nature and type of risks identified as common and predictable to the community. The goals and objectives shall be developed with respect to the following:
 - a. Distribution Initial attack (first due) resources for risk-specific intervention.
 - b. Concentration Effective response force assembly or the initial resources necessary to stop the escalation of the emergency for each risk type.
- 7. Overview of compliance methodology. Work with the District's management team to develop a methodology that will allow the District to continually measure future performance. This methodology shall include, but not necessarily be limited to:
 - a. Records Management Systems (RMS) usage policies.
 - b. Assignment of oversight responsibilities.
 - c. Schedule of assessments.
 - d. Review requirements.
 - e. Department-adopted metrics.

8. Evaluation, conclusions, and recommendations to policymakers. Develop and analyze various operational models for providing emergency services with the specific intent of identifying those options that can deliver the optimum levels of service identified in the previous components at the most efficient cost. Recommendations shall be provided identifying the best long-range strategy for service delivery and the

impact of initiating such a strategy.

Develop one or more long-range options for resource deployment that will improve the District's level of service for the identified performance objectives and targets. This should include but is not necessarily limited to, specific recommendations regarding:

- a. Any relocation or elimination of existing facilities.
- b. General locations of future necessary fire stations.
- c. Selection and deployment of apparatus by type.
- d. Service delivery recommendations, including deployment of operational staffing

Evaluate and present in graphical and descriptive format for the deployment option(s):

- a. Degree of benefit to be gained through its implementation:
 - i. The extent to which it achieves established performance targets.
 - ii. Potential negative consequences.
- 9. Development Timeline. The Proposer shall include a recommended schedule to meet with key personnel of the District to obtain an understanding of existing operations and expectations, data analysis, and review preliminary and final results. Meetings can be conducted via a virtual meeting platform.
- **10. Deliverables.** The Proposer shall prepare a draft report, a final report, and a presentation to be delivered by the Proposer to District personnel and elected officials.
 - a. Draft Report due for Review: January XX, 2023
 - The Proposer will develop and produce a draft version of the written report for review by District personnel.
 Feedback is a critical part of this project and adequate opportunity will be provided for review and discussion of

the draft report prior to finalization. Review of the draft may be performed through a virtual meeting platform.

- b. Final Report due for Review: February XX, 2023
 - i. The Proposer will complete any necessary revisions of the draft and provide both hard copy (2) format and computerized format.
- c. Presentation at District's Board Meeting: March XX, 2023
 - i. The Proposer shall prepare and deliver a presentation to personnel and elected officials, including the following:
 - 1. A summary of the nature of the report, the methods of analysis, the primary findings, and critical recommendations.
 - 2. Supportive audio-visual presentation.
 - 3. Review and explanation of primary supportive charts, graphs, diagrams, and maps, where appropriate.
 - 4. Opportunity for questions and answers, as needed.
 - 5. All presentation materials, files, graphics, and written material will be provided to the District for review before the presentation(s) and at the conclusion of the presentation.

SECTION 4 – RFP OVERVIEW

RFP Timeline

The District will endeavor to administer the proposal process in accordance with the terms and dates outlined below (Table 1); however, the District reserves the right to modify the terms, activities, timeline, or any other aspect of the process at any time, as it deems necessary.

RFP Questions

Specific questions concerning the RFP should be submitted via e-mail to the RFP Coordinator prior to the "Deadline for Questions." Proposer questions should clearly identify the relevant section of the RFP, and page number(s) related to the question being asked. The questions submitted, and the District's responses shall be posted on the District's website at http://www.southplacerfire.org.

Proposal Submittal

Proposals must be submitted no later than the date/time listed in Table 1. Proposals received after this time and date will not be considered. Proposers must submit an electronic copy (a single .pdf file containing all submitted material) to the RFP Coordinator: <u>Matt Feeley</u>, Deputy Chief, (Email: mfeeley@southplacerfire.org).

SECTION 5 – PROPOSAL SUBMISSION REQUIREMENTS

The following guidelines are provided for standardizing the preparation and submission of proposals. The intent is to assist respondents in the preparation of their submissions and to assist the District by simplifying the review process and providing standards for the comparison of submissions.

Proposals submitted in response to this RFP shall include a complete response to the requirements in this section in the order presented. The District encourages concise and cost-efficient proposals. Proposals should be a straightforward delineation of the respondent's capability to satisfy the intent and requirements of this RFP and should not contain redundancies and conflicting statements.

Proposal Format and Content

Proposals should be prepared on standard 8 1/2" x 11" paper. All proposal pages should be numbered. Failure to follow this specified format, to label the responses correctly, or to address all of the subsections may, at the District's sole discretion, result in the rejection of the proposal.

Proposals must contain the following information in the order listed:

1. Introductory letter

The introductory letter should be addressed to:

Matt Feeley

South Placer Fire District 6900 Eureka Road Granite Bay, CA 95764

The letter shall include the following:

- a. Proposer's legal name and corporate structure.
- b. Proposer's primary contact information, including name, address, phone, website, and email.
- c. Identification of use of subcontractors and scope of work to be performed by subcontractors.
- d. Identification of any pending litigation against the Proposer.
- e. Disclosure of any bankruptcy or insolvency proceedings in the last ten (10) years.

- f. Statement indicating the proposal will remain valid for at least 120 days.
- g. Signature of a company officer empowered to bind the Proposer to the provisions of this RFP and any contract awarded pursuant to it.

2. Qualifications, Experience, and References

Describe the Proposer's capability for actually undertaking and performing the work. This section shall include the following:

- a. Any professional licenses and certificates held by the Proposer.
- b. List types and locations of similar work performed by the Proposer in the last five (5) years that best characterizes the quality and past performance.
- c. Include names and current phone numbers for contact on work quality and performance. References may be contacted as part of the selection Process.
- d. A recent sample of work for a Standards of Cover assessment.
- 3. Work Plan

The work plan must state the Proposer's ability to meet each specification as outlined in this document. The work plan should address the items of work as described in this RFP. The plan should be simple, easy to read and follow, and address and satisfy the objectives and specifications as listed in the Scope of Work in this RFP. The work plan shall demonstrate Proposer has sufficient skills and knowledge to perform the Scope of Work in this RFP.

4. Pricing

The District seeks a clear and comprehensive understanding of all costs associated with the RFP. This section should include the cost for requested services outlined in the Scope of Work. Proposers shall clearly describe and outline fees for the services to be provided for each task of the project. Upon completion of each task, the Proposer will notify the District and request payment for the products and services by submitting an invoice and a brief description of work performed during the billing period. Upon receipt of the invoice, the District will review in a timely manner the products and services noted, verify completion, and authorize payment.

5. Commitment to Diversity, Equity, and Inclusion

The District has a commitment to conduct business with entities that follow sustainable practices and provide safe and healthy workplaces for the individuals employed. In addition, the District is committed to ensuring that diversity, inclusiveness, and equity are integral parts of day-to-day management, work, and service delivery. Within this section, the Proposer will state and provide a detailed narrative about any diversity or inclusiveness programs the Proposer has implemented, as well as any environmentally sustainable practices.

6. Optional Supplemental Information

This section may include graphs, charts, photos, resumes, and any other relevant information in support of the Proposer's solution.

7. Disclosures

A statement that the Proposer or any individual who will perform work for the Proposer is free of any conflict of interest. The Proposer should identify any professional or personal financial or other interest which could be a possible conflict of interest in performing the services of the RFP. This includes any activities or relationships of the Proposer that might create a conflict of interest for the Proposer or the District, and, if such activities or relationships exist, a description of the facts, legal implications, and possible effects sufficient to permit the District to appreciate the significance of the conflict and to grant any conflict waiver, if appropriate and necessary.

8. Agreements and Warranties

Provide all standard contracts, including licensing, annual maintenance, and installation support services agreements typically used, included or required by the proposed solution, to be provided by Proposer and the associated costs, if any, to the District.

9. Professional Services Contract Alterations

Attached to the RFP (Attachment B) is a copy of the District's standard Professional Services Agreement ("Contract"). The District's standard Contract may be modified, in the District's sole discretion, to address the specific provisions of this RFP and Proposers should note that this RFP any specifications or other requirements specific to this RFP shall be included in the Contract and Contract's exhibits following an award of the Contract. Please review the Contract carefully and note in your proposal any exceptions or alterations to the Contract. Alterations or changes to the Contract that are not in the Proposer's response will not be allowed after the selection of the Proposer. This includes alterations, exceptions, or changes to the insurance and indemnity provisions. By requiring these requests up front, the District can compare all respondents on an equal basis. However, the District reserves the right, in its sole discretion, to accept or reject any and all proposed changes to the District's standard Contract.

SECTION 6 – PROPOSAL EVALUATION

The District will conduct a comprehensive, fair, and impartial evaluation of all proposals received in response to this RFP received by the proposal due date and time specified in this request.

Review and Evaluation

A team will review and evaluate all submitted proposals. During the evaluation process, the team may request additional information or clarification from Proposers responding to this RFP.

Evaluation and determination of the best value to the District will be based on, but not limited to:

- 1. Firms Qualifications, Experience, and References: Experience in performing work of a closely similar nature and size; experience working with public agencies, including law/emergency personnel; strength, stability, experience, and technical competence of the company; input from references.
- 2. Qualifications and Experience of Personnel and Staffing: Qualifications and experience of proposed personnel for requested services.
- 3. Work Plan: Depth of understanding of District's requirements; overall quality and logic of work plan.
- 4. Quality and Responsiveness of the Proposal: Completeness of response in accordance with the RFP instructions.
- 5. Rates and Fees: Reasonableness and competitiveness of the rates and fees proposed; the overall value of the proposed work plan given the proposed contract pricing; how well the proposed price matches what the firm promises to deliver.

6. Further Evaluation: After evaluating all proposals, the District may evaluate the top firms further. Such evaluations or interviews will be arranged in advance.

SECTION 7 – GENERAL TERMS AND CONDITIONS

Collusion

By submitting a response to the RFP, each Proposer represents and warrants that its response is genuine and not made in the interest of or on behalf of any person not named therein; that the Proposer has not directly induced or solicited any other person to submit a sham response or encouraged any other person to refrain from submitting a response; and that the Proposer has not in any manner colluded to secure any improper advantage over any other person submitting a response.

Gratuities

No person will offer, give, or agree to give any District employee or its representatives any gratuity, discount, or offer of employment in connection with the award of contract by the District. No District employee or representative will solicit, demand, accept, or agree to accept from any other person a gratuity, discount, or offer of employment in connection with a District contract.

Required Review and Waiver of Objections by Proposers

Proposers should carefully review this RFP and all attachments and submit comments, questions, defects, objections, or any other matter requiring clarification or correction (collectively called "comments") in writing to the District no later than the deadline established in this RFP. This will allow issuance of any necessary amendments and help prevent the opening of defective proposals upon which contract award could not be made.

Protests based on any alleged defect with the RFP will be considered waived and invalid unless the Proposer brings the alleged defect to the attention of the District, in writing, by the deadline as established in this RFP.

Nondiscrimination

No person will be excluded from participation in, be denied benefits of, be discriminated against in the admission or access to, or be discriminated against in treatment or employment in the District's contracted programs or activities on the grounds of disability, age, race, color, religion, sex, national origin, or any other classification protected by federal or California State Constitutional or statutory law; nor will they be excluded from participation in, be denied benefits

of, or be otherwise subjected to discrimination in the performance of contracts with the District or in the employment practices of the District's Proposers. Accordingly, upon request, all Proposers entering into contracts with the District will be required to show proof of such nondiscrimination and to post notices of nondiscrimination in conspicuous places, available to all employees and applicants.

Proposal Preparation Costs

The District will not pay any costs associated with the preparation, submittal, or presentation of any proposal made in response to this RFP.

Proposal Withdrawal

To withdraw a proposal, the Proposer must submit a written notice of intent to withdraw, signed by an authorized representative, to the RFP Coordinator. After withdrawing a previously submitted proposal, the Proposer may submit another proposal at any time up to the deadline for submitting proposals.

Proposal Errors

Proposers are liable for all errors or omissions contained in their proposals. Proposers will not be allowed to alter proposal documents after the deadline for submitting a proposal.

Incorrect Proposal Information

If the District determines that a Proposer has provided, for consideration in the evaluation process or contract negotiations, incorrect information that the Proposer knew or should have known was materially incorrect, that proposal will be determined non-responsive and will be rejected.

Assignment and Subcontracting

The Proposer may not subcontract, transfer, or assign any portion of the contract without prior, written approval from the District. Each subcontractor must be approved in writing by the District. The substitution of one subcontractor for another may be made only at the discretion of the District and with prior, written approval from the District.

Notwithstanding the use of approved subcontractors, the Proposer, if awarded a contract under this RFP, will be the prime Proposer and will be responsible for all work performed and will be responsible for all costs to subcontractors for services provided by the Proposer. The Proposer is prohibited from performing any work associated with this RFP or using contractors for any service associated with this RFP offshore (outside the United States).

Right to Refuse Personnel

The District reserves the right to refuse, at its sole discretion, any subcontractors or any personnel provided by the Proposer or approved subcontractors. The District reserves the right to interview and approve all Proposer staff members at District's sole discretion. Proposer's staff may be subject to the District's background and drug testing processes at any time.

Proposal of Additional Services

If Proposer offers services in addition to those required by and described in this RFP, those additional services may be added to the contract before contract signing at the District's sole discretion.

Licensure

Before a contract pursuant to this RFP is signed, the Proposer must hold all necessary business and professional licenses. The District may require any or all Proposers to submit evidence of proper licensure.

Conflict of Interest and Proposal Restrictions

By submitting a response to the RFP, the Proposer certifies that no amount will be paid directly or indirectly to an employee or official of the District as wages, compensation, or gifts in exchange for acting as an officer, agent, employee, subcontractor, or consultant of the Proposer in connection with the procurement under this RFP.

Notwithstanding this restriction, nothing in this RFP will be construed to prohibit another governmental entity from making a proposal, being considered for award, or being awarded a contract under this RFP.

Any individual, company, or other entity involved in assisting the District in the development, formulation, or drafting of this RFP or its scope of services will be considered to have been given information that would afford an unfair advantage over other Proposers, and said individual, company, or other entity may not submit a proposal in response to this RFP.

Contract Negotiations

After a review of the proposals and completion of the demonstration and proof of concept, the District intends to enter into contract negotiations with the selected Proposer(s). These negotiations could include all aspects of services and fees.

Execution of Contract

If the selected Proposer(s) does not execute a contract with the District within fifteen (15) business days after notification of selection, the District may give notice to that Proposer of the District's intent to select from the remaining Proposers or to call for new proposals, whichever the District deems appropriate.

Right of Rejection

The District reserves the right, in its sole discretion, to reject any and all proposals or to cancel this RFP in its entirety at any time.

Any proposal received which does not meet the requirements of this RFP may be considered to be nonresponsive, and the proposal may be rejected. Proposers must comply with this RFP's terms and applicable State laws and regulations. The District may reject any proposal that does not comply with all of the terms, conditions, and performance requirements of this RFP.

Proposers may not restrict the rights of the District or otherwise qualify their proposals. If a Proposer does so, the District may determine the proposal to be a nonresponsive counter-offer, and the proposal may be rejected.

The District reserves the right, in its sole discretion, to waive variances in technical proposals provided such action is in the District's best interest. Where the District waives minor variances in proposals, such waiver does not modify the RFP requirements or excuse the Proposer from full compliance with the RFP. Notwithstanding any minor variance, the District may hold any Proposer to strict compliance with the RFP.

The District reserves the right, at its sole discretion, to request clarifications of proposals or to conduct discussions for the purpose of clarification with any or all Proposers. The purpose of any such discussions shall be to ensure a full understanding of the proposal. Discussions shall be limited to specific sections of the proposal identified by the District and, if held, shall be after initial evaluation of the Proposals is complete. If clarifications are made as a result of such discussion, the Proposer shall submit such clarifications in writing to the District.

Disclosure of Proposal Contents

All proposals and other materials submitted in response to this RFP process become the property of the District. Selection or rejection of a proposal does not affect this right. All proposal information, including detailed price and cost information, will be held in confidence during the evaluation process. Upon the completion of the evaluation of proposals, the proposals and associated materials will be open for review by the public to the extent allowed by the California Public Records Act (Government Code Sections 6250-6270 and 6275-6276.48). By submitting a proposal, the Proposer acknowledges and accepts that the contents of the proposal and associated documents will become open to public inspection.

Proprietary Information

The master copy of each proposal will be retained for official files and will become public record after the award of a contract unless the proposal or specific parts of the proposal can be shown to be exempt by law (Government Code §6276). Each Proposer may clearly label part of a proposal as "CONFIDENTIAL" if the Proposer thereby agrees to indemnify and defend the District for honoring such a designation. The failure to so label any information that is released by the District will constitute a complete waiver of all claims for damages caused by any release of the information.

Severability

If any provision of this RFP is declared by a court to be illegal or in conflict with any law, the validity of the remaining terms and provisions will not be affected and the rights and obligations of the District and Proposers will be construed and enforced as if the RFP did not contain the particular provision held to be invalid.

Proposal Amendment

The District will not accept any amendments, revisions, or alterations to proposals after the deadline for proposal submittal unless such is formally requested, in writing, by the District.
