Public Comment: None.

<u>Approval of Agenda</u>: On a motion by Roger Carroll, seconded by Jenine Windeshausen, the agenda was approved as prepared.

<u>Approval of Minutes:</u> On a motion by Roger Carroll, seconded by Jenine Windeshausen, the minutes of the Citizens' Oversight Committee meeting of May 25, 2021, were approved as written.

Motion approved by the following vote: Ayes: Elder, Carroll, Windeshausen.; Noes: none; Abstain: none; Absent: Gibson, Phillipe.

Review of Projected Expenditure of Assessment Funds: Committee members were provided an information packet containing the June 2022 Engineer's Report, a proposed budget allocation of projected assessment funds for fiscal year 2022/23, and supporting documentation.

Randy Elder noted that comments recorded in the May 25, 2021, meeting minutes included suggestions to have an auditor review the Engineer's Report and for the Fire District to provide updates to citizens at the MAC meetings. Elder commented that reviewing the report is the prerogative of the District's financial auditor. For transparency, he suggested that Chief Duerr give a report at the MAC meeting that the Citizens' Oversight Committee has met and reviewed the Engineer's Report, and that the Committee meetings are open to the public.

The following comments were made in reference to the Engineer's Report and proposed budget:

Chief Duerr noted that Assessment revenue from Division 1 is budgeted and spent for the benefit of Division 1 only.

Roger Carroll commented that he reviewed the Engineer's Report and found it consistent with previous years. He added that the ad valorem property tax is not mentioned in the report and suggested recommending to the Engineer that mention of it be included in future reports.

Jenine Windeshausen commented that the former Loomis Fire District (now SPFD Division 1) approved the benefit assessment to maintain professional fire protection service. She asked, if the benefit assessment ballot currently being voted on in Division 2 fails, will professional service still be maintained

in Division 1? Chief Duerr replied that a reduction in service may occur in Division 2, but will not occur in Division 1.

Randy Elder noted that budgeted staffing costs for fiscal year 2022/23 are less than were budgeted for fiscal year 2021/22. Chief Duerr explained that employee turnover has resulted in positions being filled at lower-step pay rates and at lower employer costs for PERS (PEPRA vs. Classic employees).

Oversight Committee Recommendation: On a motion by Randy Elder, seconded by Roger Carroll, the Committee approved recommendation to the Board of Directors of the South Placer Fire District to accept the expenditure of Assessment funds as proposed.

Motion approved by the following vote: Ayes: Elder, Carroll, Windeshausen.; Noes: none; Abstain: none; Absent: Gibson, Phillipe.

<u>Committee Members' Comments:</u> Roger Carroll commented that he is happy that the Committee meets each year.

Randy Elder commented that he is proud that the Committee and the Fire District are doing what they are intended to do.

Jenine Windeshausen commented that Division 1 has seen significant beneficial changes, including the change to ALS service and maintenance of a stable workforce.

Adjournment: There being no further business, the meeting adjourned at 10:40 a.m.

Respectfully submitted,

Barbara Leak, District Secretary
